26 with its FDA-approved prescribing information. Defendants state that the potential effects of
27 Celebrex® were and are adequately described in its FDA-approved prescribing information,

20 **III.**

21 **GENERAL DENIAL**

22 Defendants deny all allegations and/or legal conclusions set forth in Plaintiff’s
23 Complaint that have not been previously admitted, denied, or explained.

24 **IV.**

25 **AFFIRMATIVE DEFENSES**

26 Defendants reserve the right to rely upon any of the following or additional defenses to
27 claims asserted by Plaintiff to the extent that such defenses are supported by information
28 developed through discovery or evidence at trial. Defendants affirmatively show that:

Gordon & Rees, LLP
275 Battery Street, Suite 2000
San Francisco, CA 94111

First Defense

1. The Complaint fails to state a claim upon which relief can be granted.

Second Defense

2. Celebrex® is a prescription medical product. The federal government has preempted the field of law applicable to the labeling and warning of prescription medical products. Defendants' labeling and warning of Celebrex® was at all times in compliance with applicable federal law. Plaintiff's causes of action against Defendants, therefore, fail to state a claim upon which relief can be granted; such claims, if allowed, would conflict with applicable federal law and violate the Supremacy Clause of the United States Constitution.

Third Defense

3. At all relevant times, Defendants provided proper warnings, information and instructions for the drug in accordance with generally recognized and prevailing standards in existence at the time.

Fourth Defense

4. At all relevant times, Defendants' warnings and instructions with respect to the use of Celebrex® conformed to the generally recognized, reasonably available, and reliable state of knowledge at the time the drug was manufactured, marketed and distributed.

Fifth Defense

5. Plaintiff's action is time-barred as it is filed outside of the time permitted by the applicable Statute of Limitations, and same is pled in full bar of any liability as to Defendants.

Sixth Defense

6. Plaintiff's action is barred by the statute of repose.

Seventh Defense

7. Plaintiff's claims against Defendants are barred to the extent Plaintiff and Decedent were contributorily negligent, actively negligent or otherwise failed to mitigate their damages, and any recovery by Plaintiff should be diminished accordingly.

Eighth Defense

8. The proximate cause of the loss complained of by Plaintiff is not due to any acts or

omissions on the part of Defendants. Rather, said loss is due to the acts or omissions on the part of third parties unrelated to Defendants and for whose acts or omissions Defendants are not liable in any way.

Ninth Defense

9. The acts and/or omissions of unrelated third parties as alleged constituted independent, intervening causes for which Defendants cannot be liable.

Tenth Defense

10. Any injuries or expenses incurred by Plaintiff or Decedent were not caused by Celebrex®, but were proximately caused, in whole or in part, by an idiosyncratic reaction, operation of nature, or act of God.

Eleventh Defense

11. Defendants affirmatively deny that they violated any duty owed to Plaintiff or Decedent.

Twelfth Defense

12. A manufacturer has no duty to warn patients or the general public of any risk, contraindication, or adverse effect associated with the use of a prescription medical product. Rather, the law requires that all such warnings and appropriate information be given to the prescribing physician and the medical profession, which act as a “learned intermediary” in determining the use of the product. Celebrex® is a prescription medical product, available only on the order of a licensed physician. Celebrex® provided an adequate warning to Decedent’s treating and prescribing physicians.

Thirteenth Defense

13. The product at issue was not in a defective condition or unreasonably dangerous at the time it left the control of the manufacturer or seller.

Fourteenth Defense

14. Celebrex® was at all times material to the Complaint reasonably safe and reasonably fit for its intended use and the warnings and instructions accompanying Celebrex® at the time of the occurrence of the injuries alleged by Plaintiff were legally adequate for its approved usages.

Fifteenth Defense

15. Plaintiff's causes of action are barred in whole or in part by the lack of a defect as the Celebrex® allegedly ingested by Plaintiff and Decedent was prepared in accordance with the applicable standard of care.

Sixteenth Defense

16. Plaintiff's and Decedent's alleged injuries/damages, if any, were the result of misuse or abnormal use of the product Celebrex® after the product left the control of Defendants and any liability of Defendants is therefore barred.

Seventeenth Defense

17. Plaintiff's and Decedent's alleged damages were not caused by any failure to warn on the part of Defendants.

Eighteenth Defense

18. Plaintiff's and Decedent's alleged injuries/damages, if any, were the result of preexisting or subsequent conditions unrelated to Celebrex®.

Nineteenth Defense

19. Plaintiff and Decedent knew or should have known of any risk associated with Celebrex®; therefore, the doctrine of assumption of the risk bars or diminishes any recovery.

Twentieth Defense

20. Plaintiff is barred from recovering against Defendants because Plaintiff's claims are preempted in accordance with the Supremacy Clause of the United States Constitution and by the Federal Food, Drug and Cosmetics Act, 21 U.S.C. § 301 et. seq.

Twenty-first Defense

21. Plaintiff's claims are barred in whole or in part under the applicable state law because the subject pharmaceutical product at issue was subject to and received pre-market approval by the Food and Drug Administration under 52 Stat. 1040, 21 U.S.C. § 301.

Twenty-second Defense

22. The manufacture, distribution and sale of the pharmaceutical product referred to in Plaintiff's Complaint were at all times in compliance with all federal regulations and statutes,

1 and Plaintiff's causes of action are preempted.

2 **Twenty-third Defense**

3 23. Plaintiff's claims are barred in whole or in part by the deference given to the primary
4 jurisdiction of the Food and Drug Administration over the subject pharmaceutical product at
5 issue under applicable federal laws, regulations, and rules.

6 **Twenty-fourth Defense**

7 24. Plaintiff's claims are barred in whole or in part because there is no private right of
8 action concerning matters regulated by the Food and Drug Administration under applicable
9 federal laws, regulations, and rules.

10 **Twenty-fifth Defense**

11 25. Plaintiff's claims are barred in whole or in part because Defendants provided adequate
12 "direction or warnings" as to the use of the subject pharmaceutical product within the meaning
13 of Comment j to Section 402A of the Restatement (Second) of Torts.

14 **Twenty-sixth Defense**

15 26. Plaintiff's claims are barred or limited to a product liability failure to warn claim
16 because Celebrex® is a prescription pharmaceutical drug and falls within the ambit of
17 Restatement (Second) of Torts § 402A, Comment k.

18 **Twenty-seventh Defense**

19 27. Plaintiff's claims are barred in whole or in part because the subject pharmaceutical
20 product at issue "provides net benefits for a class of patients" within the meaning of Comment f
21 to § 6 of the Restatement (Third) of Torts: Products Liability.

22 **Twenty-eighth Defense**

23 28. Plaintiff's claims are barred under § 4, et seq., of the Restatement (Third) of Torts:
24 Products Liability.

25 **Twenty-ninth Defense**

26 29. To the extent that Plaintiff is seeking punitive damages, Plaintiff has failed to plead
27 facts sufficient under the law to justify an award of punitive damages.

28

Gordon & Rees, LLP
275 Battery Street, Suite 2000
San Francisco, CA 94111

Thirtieth Defense

30. Defendants affirmatively aver that the imposition of punitive damages in this case would violate Defendants' rights to procedural due process under both the Fourteenth Amendment of the United States Constitution and the Constitutions of the States of California, Louisiana, and Michigan, and would additionally violate Defendants' rights to substantive due process under the Fourteenth Amendment of the United States Constitution.

Thirty-first Defense

31. Plaintiff's claims for punitive damages are barred, in whole or in part, by the Fifth and Fourteenth Amendments to the United States Constitution.

Thirty-second Defense

32. The imposition of punitive damages in this case would violate the First Amendment to the United States Constitution.

Thirty-third Defense

33. Plaintiff's punitive damage claims are preempted by federal law.

Thirty-fourth Defense

34. In the event that reliance was placed upon Defendants' nonconformance to an express representation, this action is barred as there was no reliance upon representations, if any, of Defendants.

Thirty-fifth Defense

35. Plaintiff and Decedent failed to provide Defendants with timely notice of any alleged nonconformance to any express representation.

Thirty-sixth Defense

36. To the extent that Plaintiff's claims are based on a theory providing for liability without proof of causation, the claims violate Defendants' rights under the United States Constitution.

Thirty-seventh Defense

37. Plaintiff's claims are barred, in whole or in part, because the advertisements, if any, and labeling with respect to the subject pharmaceutical products were not false or misleading and, therefore, constitute protected commercial speech under the applicable provisions of the United

1 States Constitution.

2 **Thirty-eighth Defense**

3 38. To the extent that Plaintiff seeks punitive damages for the conduct which allegedly
4 caused injuries asserted in the Complaint, punitive damages are barred or reduced by applicable
5 law or statute or, in the alternative, are unconstitutional insofar as they violate the due process
6 protections afforded by the United States Constitution, the excessive fines clause of the Eighth
7 Amendment of the United States Constitution, the Commerce Clause of the United States
8 Constitution, and the Full Faith and Credit Clause of the United States Constitution, and
9 applicable provisions of the Constitutions of the States of California, Louisiana, and Michigan.
10 Any law, statute, or other authority purporting to permit the recovery of punitive damages in
11 this case is unconstitutional, facially and as applied, to the extent that, without limitation, it: (1)
12 lacks constitutionally sufficient standards to guide and restrain the jury's discretion in
13 determining whether to award punitive damages and/or the amount, if any; (2) is void for
14 vagueness in that it failed to provide adequate advance notice as to what conduct will result in
15 punitive damages; (3) permits recovery of punitive damages based on out-of-state conduct,
16 conduct that complied with applicable law, or conduct that was not directed, or did not
17 proximately cause harm, to Plaintiff or Decedent; (4) permits recovery of punitive damages in
18 an amount that is not both reasonable and proportionate to the amount of harm, if any, to
19 Plaintiff or Decedent and to the amount of compensatory damages, if any; (5) permits jury
20 consideration of net worth or other financial information relating to Defendants; (6) lacks
21 constitutionally sufficient standards to be applied by the trial court in post-verdict review of any
22 punitive damages awards; (7) lacks constitutionally sufficient standards for appellate review of
23 punitive damages awards; and (8) otherwise fails to satisfy Supreme Court precedent, including,
24 without limitation, *Pacific Mutual Life Ins. Co. v. Haslip*, 499 U.S. 1, 111 (1991), *TXO*
25 *Production Corp. v. Alliance Resources, Inc.*, 509 U.S. 443 (1993); *BMW of North America,*
26 *Inc. v. Gore*, 519 U.S. 559 (1996); and *State Farm Mut. Auto Ins. Co. v. Campbell*, 538 U.S.
27 408 (2003).

Thirty-ninth Defense

39. The methods, standards, and techniques utilized with respect to the manufacture, design, and marketing of Celebrex®, if any, used in this case, included adequate warnings and instructions with respect to the product's use in the package insert and other literature, and conformed to the generally recognized, reasonably available, and reliable state of the knowledge at the time the product was marketed.

Fortieth Defense

40. The claims asserted in the Complaint are barred because Celebrex® was designed, tested, manufactured and labeled in accordance with the state-of-the-art industry standards existing at the time of the sale.

Forty-first Defense

41. If Plaintiff or Decedent has sustained injuries or losses as alleged in the Complaint, upon information and belief, such injuries and losses were caused by the actions of persons not having real or apparent authority to take said actions on behalf of Defendants and over whom Defendants had no control and for whom Defendants may not be held accountable.

Forty-second Defense

42. The claims asserted in the Complaint are barred, in whole or in part, because Celebrex® was not unreasonably dangerous or defective, was suitable for the purpose for which it was intended, and was distributed with adequate and sufficient warnings.

Forty-third Defense

43. Plaintiff's claims are barred, in whole or in part, by the equitable doctrines of laches, waiver, and/or estoppel.

Forty-fourth Defense

44. Plaintiff's claims are barred because Plaintiff's and Decedent's injuries, if any, were the result of the pre-existing and/or unrelated medical, genetic and/or environmental conditions, diseases or illnesses, subsequent medical conditions or natural courses of conditions of Plaintiff and Decedent, and were independent of or far removed from Defendants' conduct.

Forty-fifth Defense

45. The claims asserted in the Complaint are barred, in whole or in part, because Celebrex® did not proximately cause injuries or damages to Plaintiff or Decedent.

Forty-sixth Defense

46. The claims asserted in the Complaint are barred, in whole or in part, because Plaintiff and Decedent did not incur any ascertainable loss as a result of Defendants' conduct.

Forty-seventh Defense

47. The claims asserted in the Complaint are barred, in whole or in part, because the manufacturing, labeling, packaging, and any advertising of the product complied with the applicable codes, standards and regulations established, adopted, promulgated or approved by any applicable regulatory body, including but not limited to the United States, any state, and any agency thereof.

Forty-eighth Defense

48. The claims must be dismissed because Plaintiff and Decedent would have taken Celebrex® even if the product labeling contained the information that Plaintiff contends should have been provided.

Forty-ninth Defense

49. The claims asserted in the Complaint are barred because the utility of Celebrex® outweighed its risks.

Fiftieth Defense

50. Plaintiff's damages, if any, are barred or limited by the payments received from collateral sources.

Fifty-first Defense

51. Defendants' liability, if any, can only be determined after the percentages of responsibility of all persons who caused or contributed toward Plaintiff's alleged damages, if any, are determined. Defendants seek an adjudication of the percentage of fault of the claimants and each and every other person whose fault could have contributed to the alleged injuries and damages, if any, of Plaintiff and Decedent.

Fifty-second Defense

52. Plaintiff's claims are barred, in whole or in part, by the doctrine of abstention in that the common law gives deference to discretionary actions by the United States Food and Drug Administration under the Federal Food, Drug, and Cosmetic Act.

Fifty-third Defense

53. The claims asserted in the Complaint are barred, in whole or in part, because Celebrex® is comprehensively regulated by the FDA pursuant to the Federal Food, Drug & Cosmetic Act ("FDCA"), 21 U.S.C. §§ 301 *et seq.*, and regulations promulgated there under, and Plaintiff's claims conflict with the FDCA, with the regulations promulgated by FDA to implement the FDCA, with the purposes and objectives of the FDCA and FDA's implementing regulations, and with the specific determinations by FDA specifying the language that should be used in the labeling accompanying Celebrex®. Accordingly, Plaintiff's claims are preempted by the Supremacy Clause of the United States Constitution, Article VI, clause 2, and the laws of the United States.

Fifty-fourth Defense

54. Plaintiff's misrepresentation allegations are not stated with the degree of particularity required by Federal Rule of Civil Procedure 9(b) and should be dismissed.

Fifty-fifth Defense

55. Defendants state on information and belief that the Complaint and each purported cause of action contained therein is barred by the statutes of limitations contained in California Code of Civil Procedure §§ 335.1 and 338 and former § 340(3), and such other statutes of limitation as may apply.

Fifty-sixth Defense

56. Defendants state on information and belief that any injuries, losses, or damages suffered by Plaintiff and Decedent were proximately caused, in whole or in part, by the negligence or other actionable conduct of persons or entities other than Defendants. Therefore, Plaintiff's recovery against Defendants, if any, should be reduced pursuant to California Civil Code § 1431.2.

Fifty-seventh Defense

57. To the extent that Plaintiff seeks punitive damages for an alleged act or omission of Defendants, no act or omission was oppressive, fraudulent, or malicious under California Civil Code § 3294, and, therefore, any award of punitive damages is barred. Any claim for punitive damages is also barred under California Civil Code § 3294(b).

Fifty-eighth Defense

58. Defendants assert all affirmative defenses applicable under the Louisiana Products Liability Act, La. Rev. State. § 9:2800.51, et seq.

Fifty-ninth Defense

59. The product in question was approved as safe and effective by the FDA and the labeling for said product was in compliance with FDA's approval at the time the products left the control of one or more Defendants and hence, Plaintiff's claims are barred by MCL 600.2946(5).

Sixtieth Defense

60. Plaintiff's claim for non-economic damages is capped pursuant to MCL 600.2946a.

Sixty-first Defense

61. To the extent Plaintiff proves that the products in question caused or contributed to any injury Plaintiff or Decedent may have suffered, which is denied by these Defendants, these Defendants should not be liable to warn as Plaintiff cannot prove that the scientific, technical or medical information that was reasonably available at the time was known or should have been known by the Defendants. MCL 600.2948.

Sixty-second Defense

62. Defendants assert all of the protections and defenses afforded them, and Plaintiff's claims of liability or damages are limited pursuant to the Michigan Products Liability Act including specifically, but not limited to MCL 600.2946 through MCL 600.6306, including MCL 600.2946, MCL 600.2946(a), MCL 600.2947, MCL 600.2948, MCL 600.2956, MCL 600.2957 and MCL 600.2959.

Sixty-third Defense

63. The product alleged to have caused damages may not have been used in the manner and for the purposes intended. Such improper use and/or abuse of the product for an unforeseeable purpose and in an unforeseeable manner may have proximately caused or contributed to the alleged injuries, if any, and therefore there is no recovery available against Defendants pursuant to MCL 600.2947.

Sixty-fourth Defense

64. Plaintiff's claim for non-economic damages is barred for the reason that Plaintiff's percentage of comparative fault is greater than the aggregate fault of the Defendants and non-parties hereto, pursuant to MCL 600.2959 and MCL 600.6306; but that to the extent allowable, must be reduced in total or part pursuant to 600.2946(a).

Sixty-fifth Defense

65. The claims set forth in Plaintiff's Complaint are barred in that the product in question was provided to a sophisticated user. In this case, the "user" would include any prescribing physician.

Sixty-sixth Defense

66. Plaintiff and Decedent failed to make every reasonable effort to mitigate, prevent and/or reduce their alleged damages, injuries, and monetary losses.

Sixty-seventh Defense

67. Plaintiff's claims, part of Plaintiff's claims, or evidence relating to Plaintiff's claims may be barred in whole or in part due to possible spoliation of evidence by Plaintiff or Decedent, or those within Plaintiff's or Decedent's control or with full knowledge of Plaintiff or Decedent.

Sixty-eighth Defense

68. Any claims for punitive damages are barred in that they are not allowable under Michigan law. To the extent that they are allowed contrary to Michigan law, such claims further violate Defendants' constitutional rights under the following clauses of the United States Constitution, as well as any similar provisions under the Michigan Constitution: Commerce

1 Clause, Contracts Clause, Supremacy Clause, Due Process, Takings Clause, Excessive Fines
2 and Equal Protection.

3 **Sixty-ninth Defense**

4 69. Defendants reserve the right to supplement their assertion of defenses as they continue
5 with their factual investigation of Plaintiff's claims.

6 **V.**

7 **PRAYER**

8 WHEREFORE, Defendants pray for judgment as follows:

- 9 1. That Plaintiff take nothing from Defendants by reason of the Complaint;
10 2. That the Complaint be dismissed;
11 3. That Defendants be awarded their costs for this lawsuit;
12 4. That the trier of fact determine what percentage of the combined fault or other liability
13 of all persons whose fault or other liability proximately caused Plaintiff's and
14 Decedent's alleged injuries, losses or damages is attributable to each person;
15 5. That any judgment for damages against Defendants in favor of Plaintiff be no greater
16 than an amount which equals their proportionate share, if any, of the total fault or other
17 liability which proximately caused Plaintiff's and Decedent's injuries and damages; and
18 6. That Defendants have such other and further relief as the Court deems appropriate.
